## Physical Development of Very Young Children

Looking for a great brochure on the physical development of very young children? ***Assure the Best of Your Baby's Physical Development*** is available to download in English, Spanish, French and Hebrew at

[http://www.pathwaysawareness.org/download\\_brochure.php](http://www.pathwaysawareness.org/download_brochure.php). Helpful line drawings illustrate both the expected motor milestones and warning signs to watch for.

The brochure is made available by the Pathways Awareness Foundation. A growth and development chart, month-by-month motor milestones, videos and other excellent resources for families and professionals are also available at the Foundation web site ([http://www.pathwaysawareness.org/download\\_brochure.php](http://www.pathwaysawareness.org/download_brochure.php)). Scroll down or use the left navigation bar to link to additional resources.
