(>) NEW ONLINE CONTINUING ED OPPORTUNITY FREE

Pathways Awareness, in conjunction with the American Academy of Pediatrics (AAP), are proud to announce the availability of a new online continuing medical education (CME) course: *Recognizing Early Motor Delays at the 2-month Pediatric Well Visit*.

The program, available at <http://www.pedialink.org/cme/htemd> is being offered FREE for all by entering the code PATHWAYS at check out. Upon completion of the 20 minute course, eligible participants may earn a maximum of 0.50 AMA PRA Category 1 Credits TM, AAP, or NAPNAP credits. The curriculum uses side-by-side video comparisons of infant observation to help health care professionals, students, parents, and caregivers recognize the signs of an early motor delay in children as early as 2 months of age and determine the most appropriate intervention if an early motor delay is observed.

Early detection and early intervention are key to ensuring the best for all children's physical development. For more information on early motor delays and the help available, visit www.pathwaysawareness.org or call toll free parent answered hotline at 1-800-955-CHILD (2445).
